

# THE PERSE PELICAN NURSERY AND PRE-PREPARATORY SCHOOL

02 May 2008

## **SCIENCE DAY**

What a treat it was – the new hall was filled to bursting with a wealth of scientific explorations and we all thoroughly enjoyed the opportunity to try out so many different experiences. Thanks go to Mrs Moné for liaising with The Babraham Institute, who contributed very significantly to the project and also with all of us.

## **THE APP**

As part of my remit to keep the school Governors briefed about all aspects of school life, I advise them of the many and varied contributions made to the school by the committee members in particular and the wider parent community as a whole. The Governors have expressed their appreciation for all that you do for the school, which I heartily second!

## **SAFETY**

The last teacher in from the rear playground after the end of school will lock the exit door and so no-one may enter or leave via that door once it has been closed. If you need to use the facilities or be in school for any other reason after the end of our teaching day, can you please enter or leave via the front door by the school office.

## **UNIFORM**

Whilst I am very happy for children to continue to wear uniform bearing the old school logo for as long as it lasts, we will not be selling uniform with that logo on it after the end of this school year. Please do not forward this style of uniform to the APP for sale as they cannot accept it.

## **PERSE SPONSORED WALK – 22 JUNE 2008**

A reminder that the forms should be collected from the school office. This promises to be a fun day out for all the family as well as providing an opportunity to support an extremely good cause.

## **BANK HOLIDAY**

We hope that you have a suitably relaxing break and that the sun shines on us all!

P Oates  
Headmistress
