

# THE PERSE PELICAN NURSERY AND PRE-PREPARATORY SCHOOL

24 April 2009

## **START OF TERM**

The weather has been kind and everyone has settled back into their routines very quickly. I have been reminding the children that they **MUST** have a sunhat in school, and we are already using them.

**PLEASE** ensure that your child has theirs in school every day, as without one it means that s/he has to remain in the shade for the duration of playtime, which is not popular!

## **PLAYGROUND**

We are all absolutely delighted with the newly extended 'blue area'. Gone is the mud bath which previously isolated the fort and the boat, and in its place is a safe, soft surface which is proving very popular with our amateur gymnasts and is being incorporated into many imaginative games. A big thank you to the APP, who made a significant donation (£1,800) towards the cost of this project.

## **PARKING IN THE DRIVE**

A reminder to all parents that the spaces have been reallocated this term and in view of the restricted space available I need to ask two things:

1. That only those who have heard from Mrs Norman this term that they have been allocated a space, park there
2. That the first vehicle pulls right up to the open gate (please open it if necessary before parking) and that all other vehicles park very close to the vehicle in front.

This ensures that Mr Wilson can get his vehicle in at lunch time, which is necessary as he is bringing the lunch, and also that the allocated vehicles all fit inside the school grounds and do not overhang the boundary.

Thank you for your consideration.

## **NEW UNIFORM SALE**

We will be holding this for new parents on Friday, 19 June from 10.00a.m. till 12 noon. Existing parents are welcome to come along too if you need to stock up.

## **GERMAN EXCHANGE VISIT**

A neighbour has approached us to see if there would be any interest among The Pelican community in setting up an exchange visit with a relative of his. The child concerned is a 14 year old girl whose family speaks English. They live in Innsbruck. If you are interested please let Mrs Norman or Mrs Butler know so that we can put you in touch with the neighbour in the first instance.
